IA 25TH ANNIVERSARY CELEBRATION PLANS ARE UNDER WAY

IA program founders and steering committee members l to r: Professors Frank McCann, Doug Wheeler, and Marc Herold hope to see you, International Affairs alumni, next fall!

In May 1985, twenty-five years ago, we graduated our first four IA dual majors. This spring, we will add 45 IA alumni to the database!

To celebrate the 25-year landmark, our anniversary steering committee is hard at work making plans for 2010. We are trying to locate as many of our IA graduates as possible. We are also planning a gala event for October 9th to coincide with UNH Homecoming, bringing IA alumni to campus to participate in classes and informal discussions with students in all five schools and colleges — and, of course, designing special celebratory T-shirts!

We have a Facebook page that draws new members each day, and a web page that will keep you posted on all the important anniversary information. We hope you will join us for the celebration. Talk to friends and **plan early!**
